DateColors Manual

A Flutter package to generate a color scheme based on a date.

for v0.0.1 and higher

Issued on 2022-09-13

This manual is part of the DateColors project and defines the basic color scheme used for developing, maintaining and extending the Flutter package.

The Colors of the Year are based on the Five Elements represented in the Chinese Zodiac.

Color of the Year

METAL

#6C6874

Last digit of the year ends with 0 or 1.

WATER

#A1E8D9

Last digit of the year ends with 2 or 3.

WOOD

#593122

Last digit of the year ends with 4 or 5.

FIRE

#951F1D

Last digit of the year ends with 6 or 7.

EARTH

#595241

Last digit of the year ends with 8 or 9.

The Colors of the Season are based on Liz Carver's color palettes. The color of each day of the month varies to create a pattern, which is reset on each week.
